#### NIJ STANDARD-0101.06 IIIA

NIJ Certified Compliant and tested and verified to exceed ballistic resistance as specified under NIJ Standard-0101.06 and special threats.

#### Export Administration Regulations (EAR):

Level IIIA body armor falls under jurisdiction of the Export Administration Regulations (EAR), and is subject to the export control laws of the US Government. Export or re-transfer by any means to any foreign end user or for any other end use, whether in the US or abroad without written approval of the US Department of Commerce or Department of State is prohibited. The sale, transfer, transportation, or shipment outside of the US of any product prohibited or restricted for export without complying with US export control laws and regulations, including proper export licensing, documentation or authorization, is strictly prohibited and may result in civil penalties and/or constitute a federal crime.
