MANUFACTURING TOLERANCES:

Thickness dimensions are +1/16 in. Width and length dimensions are +0.00 to 0.25 in. All weights are +- 5%

GENERAL INFORMATION

Caliber Armor - Ultra Series Shield design made with ultra-hard alloy. Multi-hit rated. Finished with a polyurea coating.

Caliber Armor-Ultra Series Shield includes a pre-mounted pivoting handle, that can be worn right, left and center with a simple adjustment. Padded armrest, quick release arm strap and custom grip padding for handle come standard. Department ID can be added on request with proper credentials.

Designed and tested to a **higher caliber**. Upgraded hardware ensures the ballistic performance of the shield is consistent throughout the surface. We don't just say it, we test it! Ultra Shield **AND HARDWARE** passed and exceeded not only RF2 threats, but also DEA and Special Threats like the M855 A1 and LPS projectiles.

NIJ STANDARD 0101.07 RF2 Tested and verified to meet ballistic resistance as specified under NIJ Standard-0101.07 RF2 - Plus Special Threat and DEA
